# All Through the Night

Deep the si-lence round us spread-ing, All through the night;

Dark the path that we are tread-ing, All through the night.

Still the com-ing day dis-cern-ing, By the hope with-in us burn-ing,
To the dawn our foot-steps turn-ing, All through the night.

Deep the silence round us spreading,
All through the night;
Dark the path that we are treading,
All through the night.
Still the coming day discerning,
By the hope within us burning,
To the dawn our footsteps turning,
All through the night.

Star of Faith the dark adorning
All through the night;
Leads us fearless t'wards the morning,
All through the night.
Though our hearts be wrapt in sorrow,
From the hope of dawn we borrow
Promise of a glad tomorrow,
All through the night.
